

# Capturing Kids' Minds

*Building Brainpower*

## Welcome

Our Parent Handbook explains imperative information you will need to be aware of whilst your child is in attendance at our Service.

We strongly recommend you read the provided information and ask questions to confirm your understanding of how the Service operates. You will be required to sign and return the form on the last page of the handbook to confirm you have read and understood the information you have been given in your enrolment pack.

*We have an open-door policy. You and your family are welcome to visit our Service at any time.*

## Service Philosophy

**CKM is all about happy learning.**

**It is where kids can be kids, having fun, getting messy, making noise, being active and creative. We want to provide a wide variety of experiences and activities that are developmentally appropriate for the middle childhood phase specifically highlighting the value of play. Families and children are free to communicate choices and suggestions to our caring and professional staff.**

**It's a place for everyone to feel, safe, liked, and respected as individuals.**

**We want all children to have a sense of belonging. Catering to the social, intellectual, physical, recreational, and emotional needs and interests of the children.**

**It is a children's place to play and learn in an environment that values a healthy lifestyle, free choice and diversity.**

- **Children are knowledgeable beings and our service aspires to encourage their individuality and enhance their skills and experiences. We aim to provide a place where all children: -**
- **Participate with fairness, inclusion, empathy and respect**
- **Organise their own play, have fun, make friends and help to decide day to day activities**
- **Celebrate theirs and other children's achievements as well as sharing their experiences and knowledge, building a sense of belonging and strengthening their social and emotional development –**
- **Explore, accept challenges, work collaboratively in a group and create using different mediums and equipment –**
- **Are encouraged to be responsible for their own actions, environment, personal hygiene and physical well being**

**It's a place for everyone to feel safe, liked, and respected as individuals.**

**We want to be a dependable and consistent support network for all children and their families by providing affordable quality care which is accessible by all children and their families including those from culturally and linguistically diverse backgrounds, low income families and those with special needs.**

## Fees

Our full fees are - **ASC**: Permanent - \$30/session, Casual - \$34/session, **BSC** - \$20/session, **Vacation Care/Pupil Free Days** - \$70 + any excursion/incursion cost notified (before **Child Care Subsidy (CCS)** has been applied).

Families are required to complete the online Child Care Subsidy assessment via the **MyGov** website prior to starting at the Service. This will determine your eligibility and level of Child Care Subsidy entitlement.

On enrolment we will need the CRN of the person linked with the child, along with the child's CRN, so we can register attendance and ensure that you are receiving the appropriate subsidy.

### **Child Care Subsidy (CCS)**

Child Care Subsidy is a means-tested subsidy paid directly to the Service as a fee reduction.

There are 3 factors that will determine a family's level of Child Care Subsidy, which include:

1. Combined Family Income
2. Activity Test for both parents
3. Service Type

Transitioning to Child Care Subsidy requires families to provide information and confirm current details by using your Centrelink online account through [myGov](#). Here you will be asked to provide your combined family income estimate for the financial year, hours of recognised activity including work, training, study and volunteering and the type of child care your family uses.

### **Allowable Absences**

You can be paid for any absence from approved care your child attends for up to **42 days per child per financial year**. Additional absences beyond 42 days for certain reasons may be approved and paid. Please talk to us about the additional absences.

Public holidays will be counted as an absence if the child would normally have attended the Service on that week day, and fees have been charged for that day for the child. You can access your child's absence record on your online statement by selecting '[View Child Care Details and Payments](#)' on your [Centrelink online account](#). You can also do this using the [Express plus Families mobile app](#)

### **Regulatory Authorities**

Our Service complies with the National Quality Framework (NQF) including the National Quality Standard (NQS), the Early Years Learning Framework (or other Approved Framework) and the National Regulations (Education and Care Services National Regulations).

Our Service is regulated by the new national body for early education and care – the Australian Children’s Education and Care Quality Authority (ACECQA) as well as the state licensing department in our State/Territory. To contact our Regulatory Authority, please refer to the contact details below:

### **Make-up Days**

We have a make-up day policy in place to support families and to help maintain a healthy care environment. All children are entitled to 8 make up days per calendar year. To register for a makeup, you must inform the Service that your child will be absent no later than 7am on the effected day.

This allows the Service to contact other families on the make-up list that there is availability that day. If you fail to ring by 7am and your child is absent, no make-up day will be earned for your child. There is a make-up day fee of \$3.00 that is charged to your account. If you choose to accept a placement as a make-up and fail to arrive that day, it will use your allocated day as other families were not able to take advantage of this day. This policy is to help minimise illness in the Service. If your child is sent home sick from the Service, no make-up day is allocated.

### **Service Closing Time and Late Fees**

Please be aware the ASC Program closes at 6:00pm. In accordance with National Regulations and licensing, we are not permitted to have children in the service after 6:00pm. A late fee is incurred for children collected after 6.00pm.

The fee is \$5 per child for the first 5 minutes or part thereof and then \$2/minute thereafter and will be added to your next account. The late fee is strictly adhered to, as two staff

members are required to remain at the program until all children are collected.

If we are unable to contact either the parent or a person nominated by the parent on the enrolment form to arrange collection of the child/children within an hour of the Service closing, then we will contact Department of Education and Communities and the Police to take responsibility of your child.

### **Confidentiality**

We are committed to protecting your privacy. We support and are bound by privacy laws to ensure strict confidentiality is maintained.

To plan programs with you we need to collect information from you. This information helps us to assess and plan programs in partnership with you. We do not disclose personal information about you or your child to other people or organisations without your consent, unless we are required to do so by law. We do not ask for personal information about you or your child from other professionals or organisations without your consent. You can look at the information in your child's file at any time, or request a copy of information in the file.

### Service Policies and Procedures

You will find a copy of our Service policies and procedures in each room and office. We expect our staff and families to adhere to our policies and procedures at all times to ensure we maintain compliance and abide by the National Law and Regulations.

Educators cannot make exceptions for individuals unless the Nominated Supervisor or Management do so on account of serious and/or unusual circumstances.

We are constantly reviewing our policies and procedures and ask for staff and family participation to ensure our policies and procedures adhere to family's needs and meet required regulations. Your involvement helps us to improve our Service and may lead us to change our policies and procedures.

## Enrolment Information

Prior to commencing at our Service, you will be required to complete all enrolment documentation and pay the bond and administration fee.

Please understand that it is essential we have up-to-date information in case of an emergency. It is important that you notify the Nominated Supervisor (or Responsible Person) of any changes to enrolment information including:

- Address
- Health
- Telephone/mobile numbers
- Contact details
- Family changes
- Emergency contact information details etc.

It is essential that we have copies of your child's birth certificate and **immunisation** status. We are also required to have certified copies of any court orders relating to the child.

Goals for your child at our Service

*"We discovered that education is not something which the teacher does, but that it is a natural process which develops spontaneously in the human being."*

*Maria Montessori*

Educators' practices and the relationships they form with children and families have a significant effect on children's involvement and success in learning. Children thrive when families and educators work together in partnership to support young children's learning. Children's early learning influences their life chances.

Wellbeing and a strong sense of connection, optimism and engagement enable children to develop a positive attitude to learning. (Early Years Learning Framework p.9)

We will create a range of short and long-term goals for your child that we will program to and observe on which will be based on the outcomes in the Early Years Learning Framework and include:

- Mutual respect and empathy
- Concern and responsibility for self and others
- A sense of self worth
- Social awareness
- Importance of sustainability
- Self-discipline
- Habits of initiative and persistence
- Creative intelligence and imagination
- Self-confidence as an independent learner
- A love of learning

We strongly encourage communication between families and educators to ensure continuity in what we are delivering to your child and acknowledge that the role of the Educator is to work in partnership with families; children's first and most influential educators.

### **Educational Program**

We follow the MY TIME OUR PLACE as per our programming policy.

We are committed to providing an educational program, which caters for each child's individual needs, abilities and interests. Our program will continue to develop as we use the relationships children have with their families and communities, working in partnership with parents, to ensure each child's knowledge, ideas, culture, abilities and interests are the foundation of our programs.

We encourage children to be responsible for their own learning through choices in experiences, interests and routine. We use conversations, actions and play as the basis for teaching which involves the children being partners in teaching by seeking out ideas,

opinions, thoughts and questions. We encourage children in promoting their independence and self-help skills by assisting within the routine and involving the children in interest-based projects to further enhance their learning and knowledge. We value children and family input and encourage family involvement in order to gather a comprehensive and holistic view of the child.

We know that children learn effectively through play and Educators who are diligent in their responsiveness to each child support this. Applying strong intentional teaching practices will provide the children with an authentic and meaningful learning environment that challenges, supports and nurtures a child's development.

If we as Educators have any areas of concern, we will inform you and advise where help may be pursued, e.g. speech therapist. We understand this is a sensitive topic and it is always your decision to follow this up. Educators are willing to discuss any aspect of learning and development with parents.

#### Outcome 1: Children have a strong sense of identity

- Children feel safe, secure, and supported
- Children develop their emerging autonomy, inter-dependence, resilience and sense of agency
- Children develop knowledgeable and confident self-identities
- Children learn to interact in relation to others with care, empathy and respect

#### Outcome 2: Children are connected with and contribute to their world

- Children develop a sense of belonging to groups and communities and an understanding of the reciprocal rights and responsibilities necessary for active community participation
- Children respond to diversity with respect
- Children become aware of fairness
- Children become socially responsible and show respect for the environment

#### Outcome 3: Children have a strong sense of wellbeing

- Children become strong in their social and emotional wellbeing
- Children take increasing responsibility for their own health and physical wellbeing

#### Outcome 4: Children are confident and involved learners

- Children develop dispositions for learning such as curiosity, cooperation, confidence, creativity, commitment, enthusiasm, persistence, imagination and reflexivity
- Children develop a range of skills and processes such as problem solving, enquiry, experimentation, hypothesising, researching and investigating
- Children transfer and adapt what they have learned from one context to another
- Children resource their own learning through connecting with people, place, technologies and natural and processed materials

#### Outcome 5: Children are effective communicators

- Children interact verbally and non-verbally with others for a range of purposes
- Children engage with a range of texts and gain meaning from these texts
- Children express ideas and make meaning using a range of media
- Children begin to understand how symbols and pattern systems work
- Children use information and communication technologies to access information, investigate ideas and represent their thinking

### Parent Participation

The Service has an Open Door Policy and actively seeks and encourages families to be involved in the Service. This can range from evaluating and adding input to your child's program and observations, volunteering within the Service and sharing skills & experiences that the children and the program will benefit from.

You can be involved in the Service's Family Committee. Your involvement can be as formal or active as you like as time permits. We respect that time is limited for most families and we ask that you inform us as to your preferred way of communication. We can arrange meetings with your child's Educator at a time that suits you throughout the year and offer email, SMS, Facebook, Newsletters, Day Book Journals and pride ourselves on strong verbal communication on a daily basis. We seek input from families on all aspects of the Service but in particular, your child's goals, observations and program.

If, for any reason you question or do not understand any aspect of the Service or your child's experience we have a Grievance Policy that supports all stakeholders in our community and like all policies, is available for families to consult and implement at any time. Copies of our

policies are available in each room, the office and parent library. You are welcome to take a copy home and review at your leisure.

### **FAMILY SKILLS, INTERESTS AND TALENTS**

We welcome and encourage the involvement of all parents/families at our Service. Your ideas, experiences and skills are greatly valued and will enable us to extend each child's interests, abilities and knowledge. There are many ways for your family to be involved. We understand that our busy lives can't always afford the time, however any contribution no matter how big or small is much appreciated. Here are just a few ideas.

### **YOUR OCCUPATION OR HOBBY**

You are the most important person in their world. We welcome all parents to the Service to talk about their occupation or hobby (e.g. music, craft, cooking). Everything parents do interest children and these talks are the best educational resources you can provide for the Service.

We use information that has come from discussions about occupations and hobbies in our program and the ideas explored which can turn into interest projects providing valuable learning.

### **YOUR HOME CULTURE**

Your home culture is most welcome in our Service. We would greatly appreciate if you were able to share with our Service aspects of your culture and family life. This would assist us to enrich the lives of all our families and children.

### **RECYCLABLE ITEMS**

We are always on the lookout for recyclable items for the rooms. Empty food containers, ribbons, wrapping paper, towel tubes (not toilet or egg or milk because of hygiene and allergy issues) paper or anything interesting from your work is much appreciated.

### **SUGGESTIONS**

Parents are welcome to visit or call the Service at any time. If you have any suggestions or ideas on how we best can work together in the Service please let us know.

If you have any concerns, please see your child's educator or the Nominated Supervisor. We have a grievance procedure if you would like to formally raise any concerns

#### Communication

Everybody has a different communication style and time for communication. We understand that mornings and afternoons can be a little rushed, and not the best time to discuss your child's day.

We have many types of communication we use for families, which include:

- ✓ Newsletter
- ✓ Phone calls to your work
- ✓ Emails
- ✓ Letters
- ✓ Face to face
- ✓ Daily reports that are emailed
- ✓ Family weekend forms
- ✓ Mid-year and End of year interviews
- ✓ Formal meetings

#### Court Orders

Parents must notify the Service if there are any Court Orders affecting residency of their children and a copy is required for the Service. *Without a Court Order we cannot stop a parent collecting a child.*

#### Arrival and Departure

For safety and security reasons ALL children must be signed in on arrival, and signed out on departure using Xplor on the Ipad

No child will be allowed to leave our Service with a person who is not stated on the enrolment form, unless prior arrangements are made with the Nominated Supervisor.

#### Behaviour Guidance

Educators follow a Behaviour Management Policy that extends across the whole Service giving consistency of expectation in all rooms. This policy allows children to develop self-

discipline, a respect for others, for property and respect for self, whilst learning to regulate their behaviour. If you require further information on this policy please ask Educators and refer to the Policy manual.

### **Physical Play**

Physical play includes activities that use physical movements to allow children to use their energy, enhance their concentration, motivation, learning and wellbeing. We feel physical play is a vital part of everyday life. We believe in providing children with a range of physical activities and experience on a daily occurrence for them to challenge their large and small muscles, allowing them to gain increasing control over their bodies as they learn the importance of physical play.

Physical play provides children with the opportunity to:

- Develop strong bones and muscles,
- Improve strength and balance
- Develop Flexibility and coordination
- Develop Fundamental Movement Skills
- Develop spatial awareness
- Develop mathematical concepts
- Be confident as they learn to control their bodies and understand their limits
- Learn to cooperate and share with others
- Promote healthy growth and development

### Sustainability

Our Service is passionate about sustainability. We believe in supporting children to appreciate and care for the environment by embedding sustainable practice into the daily operation of our Service, infrastructure and teaching.

In order to empower our sustainability program we emphasise children's ability to make a difference, enabling them to learn and appreciate their environment in an engaging, fun and exciting manner. We do this by engaging children in discussion about sustainable practice,

encouraging them to participate in a recycling program, reducing energy and conserving water. We aim to provide children with the skills and knowledge required to become environmentally responsible.

### **Rest and Sleep**

Rest and sleep. We provide a quiet space within our centre for children to have time out or when they choose to engage in passive play/activities.

### **Sun Safety**

Children and Educators will wear hats and appropriate clothing when outside. Staff will encourage children, including by way of modelling behaviour, to avoid excessive exposure to the sun and to wear suitable sunscreen (at least SPF 30+), which is reapplied according to the manufacturers recommendations. We ask that children come to the Service with sunscreen already applied so they are able to participate in outdoor play immediately and not have to wait the 20 minutes after application.

### **SUN HAT**

A sun protective hat must be worn every day when playing outside for protection against the sun. Please make sure to include it in your child's bag every day regardless of the weather conditions.

### **When should I not send my child to the Service?**

Our Service is a busy and demanding day for the bodies and minds of our children, we are not equipped to care for sick children; however we will do everything we can to comfort a child who has become sick whilst in our care.

To try and prevent the spread of disease, please monitor your child's health and watch for:

- A runny, green nose
- High temperature
- Diarrhoea
- Red, swollen or discharging eyes
- Vomiting

- Rashes
- Irritability, unusually tired or lethargic

Please do not bring your child to the Service if they display any of the above symptoms. If a child becomes ill whilst at the Service the child’s parents or person responsible for the child will be contacted to organise collection of the child. If the child is unable to be collected, educators will contact the child’s emergency contact for collection.

When the child is collected, the family will have the following information made available to them to present to their doctor: symptoms, date of onset, general behaviour of the child leading up to the illness and any action taken.

Your child should not attend the Service if they have had Panadol or Neurofen within 24 hours for a temperature. It is extremely important that staff members are aware if a child has had either medication so we do not re-administer and potentially overdose.

Children who are on antibiotics are to be kept away from the Service for the first 24 hours to allow the child to rest and the risk of spreading the infection to decrease.

Please remember that Make-up Days are only applicable when the Service has been informed of the child being away by 7am on the day - not if they are sent home during the day.

**Infectious Diseases**

The National Health and Medical Research Council have supplied the following information regarding: Exclusion from the Service of a child suffering with the following diseases/ailments. Please inform staff if your child has any of the following so that we can let families and Health Department know if something is going around and avoid an epidemic. (Confidentiality is always maintained).

CONDITION	EXCLUSION
HAND, FOOT AND MOUTH DISEASE	Until all blisters have dried.

HIB	Exclude until medical certificate of recovery is received.
HEPATITIS A	Exclude until a medical certificate of recovery is received, but not before 7 days after the onset of jaundice or illness.
HERPES – COLD SORES	Young children unable to comply with good hygiene practices should be excluded while the lesion is weeping. Lesions to be covered by dressing, where possible.
INFLUENZA AND FLU-LIKE ILLNESSES	Exclude until well.
MEASLES	Exclude for at least 4 days after onset of rash.
MENINGITIS (BACTERIAL)	Exclude until well.
MENINGOCOCCAL INFECTION	Exclude until adequate carrier eradication therapy has been completed.
MUMPS	Exclude for 9 days or until swelling goes down (whichever is sooner).
POLIOMYELITIS	Exclude for at least 14 days from onset. Readmit after receiving medical certificate of recovery.
RUBELLA (GERMAN MEASLES)	Exclude until fully recovered or for at least 4 days after the onset of rash.
SALMONELLA, SHIGELLA	Exclude until diarrhoea ceases.
STREPTOCOCCAL INFECTION (INCLUDING SCARLET FEVER)	Exclude until the child has received antibiotic treatment for at least 24 hours and the child feels well.
TUBERCULOSIS	Exclude until a medical certificate from an appropriate health authority is received.
WHOOPING COUGH	Exclude the child for 5 days after starting antibiotic treatment.
WORMS (INTESTINAL)	Exclude if diarrhoea present.

*If your child is unimmunised according to our records, then they will be excluded until the threat has passed.*

### Immunisation

From 1 January 2018, children who are unvaccinated due to their parent's conscientious objection can no longer be enrolled in child care. The Public Health Act 2010 prevents NSW child care centres from enrolling children unless approved documentation is provided that indicates that the child:

- Is fully immunised for their age
- Has a medical reason not be vaccinated
- Is on a recognised catch up schedule

The relevant vaccinations are those under the National Immunisation Program (NIP), which covers the vaccines usually administered before age five. These vaccinations must be recorded on the Australian Childhood Immunisation Register (ACIR).

Children with medical contraindications or natural immunity for certain diseases will continue to be exempt from the requirements.

Families eligible to receive Child Care Subsidy (CCS) and have children less than 20 years of age, who may not meet the new immunisation requirements, will be notified by Centrelink.

For an up to date immunisation schedule, please refer to your enrolment pack.

### **Medication**

Educators can only administer medication prescribed by a doctor. They cannot administer non-prescription drugs or dietary supplements unless a doctor provides the Service with written authorisation.

Educators can only administer medication to a child from its original packaging with pharmacy instruction sticker.

On arrival at the Service families, must give medication to Educators for safe storage and complete a medication authorisation form. Under no circumstances should medication be left in children's bags.

### **Allergies or Asthma**

It is vital that we are aware of any allergies or asthma. Families are required to explain any allergy or asthma on the enrolment form as well as provide us with the diagnosis from the doctor. The Service has a procedure the staff follow to minimise allergic reactions.

The Service requires an Action Plan filled in by your Doctor to assist in managing your child's needs. The Action Plan is to be updated every 6 months.

## Accidents

The Nominated Supervisor will contact parents immediately if a child is involved in a serious accident at the Service. As a matter of extreme importance parents must ensure that the Service has up to date emergency contact numbers.

An incident report will be filled out for all accidents, injuries and illnesses. This will contain details of the accident /injury/illness, any first aid that was administered, and be signed an educator, the Nominated Supervisor and by the parent.

## Emergency Drills

Throughout the year the Service will hold emergency drills, which occur at any given time throughout the day. These are carried out in a well-organised and orderly manner.

Educators will be trained in using the fire extinguishers that are in the Service. An emergency evacuation plan will be displayed in every room.

## Children's Safety

- Never leave children unattended in cars while collecting children from the Service.
- Cars parks are dangerous places for children. Always hold children's hands when arriving and leaving the Service.
- Never leave a door or gate open.
- Never leave your children unattended in a room.
- Children are not permitted into the kitchen and laundry areas.

## Workplace Health and Safety

We welcome all feedback regarding the safety of our Service. If you see something that concerns you regarding safe work practices, the safety of building and equipment or general Work health and Safety, please contact the Nominated Supervisor immediately.

### **Educator Ratio and Qualifications**

We meet all legal requirements in relation to child to educator ratios and the qualifications of our educators. All Educators will hold First Aid qualifications, have Working with Children Checks completed and attend monthly Educators' meetings.

Our Educators are continually evaluating how our curriculum meets the education needs of our children and reflecting on ways to improve children's learning and development. They are encouraged to attend further professional training and development.

For further details on the qualifications of the Educators, please see our Nominated Supervisor.
