# PAYMENT OF FEES POLICY

Under the *Education and Care Services National Regulations*, an approved provider must ensure that policies and procedures are in place for the payment of fees and the provision of a statement of fees charged by the service and take reasonable steps to ensure policies and procedures are followed. (ACECQA, 2021).

Out of School Hours Care provides quality education and care for primary school-age children outside school hours and during school holidays. Our OSHC Service supports children to engage in play and leisure activities, develop new skills and build relationships with other children and educators whilst supporting workforce participation of parents and carers. Our OSHC Service is committed to providing quality education and care to all children at an affordable fee for families.

As an approved childcare service, Child Care Subsidy (CCS) is available to reduce fees to eligible families. Our fee structure is based on our ability to provide the requirements of the Education and Care National Law and National Regulations, Family Assistance Law, the Australian Taxation Office and guidelines contained in the Child Care Provider Handbook.

## General Fees

- Fees are charged for each session for before and after school care and per day for vacation care programs
- Fees payable by families vary depending on the amount of Child Care Subsidy (CCS) rebate each family receives
- CCS is paid directly to the Service and this is used as a fee reduction (visible on a family's statement).
- Families are required to pay the difference between the fee charged and the subsidy amount- the 'gap' amount
- Fees must be kept in advance of a child's attendance.
- A dated receipt will be provided for each payment **[via email]**
- Fees are to be paid weekly **through a direct debit system. If families wish to pay fees on a weekly or monthly basis, it is a requirement that the family pay in advance and are not in arrears.**
- Fees are payable in advance for every session that a child is enrolled at the OSHC Service. This includes pupil free days, sick days, and family holidays but **excludes periods** when the Service is closed. The Service may be closed due to periods of local emergency such as bushfire or flood or pandemic.
- Fees are charged for full sessions only (regardless of the actual attendance hours any day).
- Families are requested to contact the Service if their child is unable to attend a particular session.

- Families can apply for Additional Child Care Subsidy (ACCS) through Centrelink if they are in temporary financial hardship.

**Capturing Kids' Minds**  
*Building Brainspwers*

- At any time of the debt recovery process the family will be encouraged to enter a debt agreement with the service to repay outstanding fees. A written contract will be provided for the family to sign outlining repayment plan details. The repayment plan will provide information as to the duration and amount of the repayments as well as steps that will be taken if the repayment plan is not adhered to.
- A child's position will be terminated if payment has not been made after **three weeks**, for which the family will receive a final letter terminating the child's position. At this time the OSHC Service will initiate its debt collection process, following privacy and conditional requirements.

## Late Fees

- Our OSHC Service is not licensed or insured to have children on the premises after hours. This is a breach in the Education and Care Regulations.
- It is unacceptable to pick children up late from the OSHC Service. A late fee will apply where children are not picked up prior to closing time. Currently, a fee of \$15.00 per 10 minutes block or part thereof will be incurred by the family.
- A review of the child's enrolment will occur where families are consistently late with fee payment.

## Change of Fees

- Fees are subject to change at any time provided a minimum of **four weeks** written notice is given to all families.
- CCS hourly rate caps may be increased by the CPI at the commencement of each financial year.
- Any CCS hourly rate increases are governed by CCS and are automatically adjusted through our CCS Software.

## Termination of Enrolment

- Parents are to provide **two weeks** written notice of their intention to withdraw a child from the centre.
- If termination from the OSHC Service is required without notification, families can lose their Child Care Subsidy, resulting in the payment of requirement for full fees to be charged.
- In some circumstances CCS may not be paid for sessions if the child has not physically started care.
- Additionally, CCS may not be paid for absences submitted after a child's last physical day of care, unless conditions have been met as specified by Family Assistance Law

Where an agreement has been made between an employer or charity to assist in the contribution of fees the fees must be reduced accordingly before CCS has been applied.

Our Service will record all documentation regarding any third party payments.

Families who wish to raise concerns regarding the management of Child Care Subsidy should speak with the Nominated Supervisor in the first instance. The Nominated Supervisor will follow the steps as outlined in this policy, including advising the Approved Provider of all grievances.
